

MORNING ARRIVAL PROCEDURE FOR CAR RIDERS

DROP OFF BEGINS AT 8:05

Drop off directions:

- We can not block traffic on Hwy E, so please be sure that you pull as far up as possible so we are able to utilize the full perimeter of the playground
- Do **NOT** allow your children to exit your vehicle until you are at the **STUDENT DROP OFF AREA**
- In order to keep the line moving, please teach your children how to exit the vehicle quickly and safely with their things on the **passenger side**
- Parents please stay in your cars so we can keep traffic moving
- PLEASE model the behavior that we expect our children to use. Inappropriate exchanges between adults are **NOT** acceptable.
- There are **NO LEFT TURNS** allowed when exiting onto Hwy E

Somers Elementary is an amazing place! Let's work together and accomplish so all students arrive safely! If this process does not work for you, remember that you can always send your child on the bus.

Sincerely,
Ms. LaLonde, Principal
