

Somers School Community, Inc. Spending Proposal Request

Proposals must be submitted to the SSC president one week prior to the monthly SSC meeting. Proposals will then be presented at the upcoming monthly meeting, and voted on at the proceeding monthly meeting. This allows 30 days for communication with SSC members not in attendance. It is strongly encouraged that individuals submitting proposals be present at the meetings to answer questions. When the proposal is to be voted on, the SSC president will call for a vote, and proposals will be approved only if two-thirds of those members present are in favor of it.

All proposals are contingent on funds available.

MISSION: Money that was raised or donated by SSC was earned through the extraordinary generosity of time, talents, and resources of the Somers parents, staff and community. Therefore, it is the SSC's Mission that these funds be used to support programs, equipment, technology, materials, and experiences that will set Somers Elementary apart from other schools. Our objectives for these funds will include, but are not limited to, Enrichment, Playground, Strategic Planning, SSC Discretionary and Technology/Equipment Replacement.
